Student Registration Package | 2026–2027 School Year

Assalamu alaikum wa rahmatullahi wa barakatuh,

Registration for the 2026–2027 school year at the ISK Islamic School is now open. Our programs are designed to give students a strong foundation in Islamic studies and in reading, understanding and memorizing the Quran, taught in a supportive environment right here at the masjid.

This package explains how to register, when classes run, and what the fees are for the year. Please read it through, and complete both steps below for each child you are enrolling.

Key Dates

Date	What Happens
Friday, August 28, 2026 — 11:00 pm	Registration CLOSES. Please ensure to register and pay your fees by this date to ensure your child's seat in a classroom.
Tuesday, September 8, 2026	Quran classes commence.
Saturday, September 12, 2026	Islamic Studies classes commence.

How to Register

Registration is a two-step process. Both steps must be completed for your child's spot to be confirmed.

Step	What to Do	Where
1	Set up the recurring monthly payment and pay the one-time book fee for your children.	IRM payment portal – link in Step 1 below

Step	What to Do	Where
2	Complete the online registration form with your child's details, and confirm that the payment has been made (one submission per child).	Google Form – link in Step 2 below

Step 1 — Set Up the Recurring Payment

Please begin by setting up the recurring monthly payment and paying the one-time book fee through the ISK payment portal. All of your children can be entered together in a single visit. A full illustrated walkthrough of the portal is provided later in this package under “Setting Up Your Payment — Step by Step”.

Payment setup: <https://app.irm.io/kingstonmuslims.ca/iskschool26-27>

Step 2 — Complete the Registration Form

Once your payment is set up, fill out the online registration form to provide the details we need for each child, including the child's name, age, grade, program selection, Quran level, and emergency contact and medical information. The form also asks you to confirm that the payment has been made, which is why it comes second. Please submit one form per child.

Islamic Studies — Saturday Classes

Islamic studies classes are held on Saturdays in two time slots. Your child's time slot is determined by their grade, as shown below.

Saturday Time Slot	Grades / Levels
2:00 pm – 3:30 pm	Junior Kindergarten · Senior Kindergarten · Grade 1 · Grade 2 · Grade 9 · Grade 10 · Grade 11 · Grade 12
3:30 pm – 5:00 pm	Grade 3 · Grade 4 · Grade 5 · Grade 6 · Grade 7 · Grade 8

- Islamic Studies classes commence on Saturday, September 12, 2026.
- Each session runs 90 minutes.
- Please arrive a few minutes early so classes can begin on time, and arrange pick-up promptly at the end of the session.

Quran Classes

Quran classes commence on Tuesday, September 8, 2026. They currently run two evenings a week and are open to students of all levels, with a dedicated class for sisters.

Class	Level	Days	Time
Quran	All levels	Tuesday & Thursday	5:30 pm – 7:30 pm
Quran	Sisters	Tuesday & Thursday	5:30 pm – 7:30 pm

Placement by Level

Students are placed into a class based on their current level of Quran reading. The Imam assesses each student to determine the level they will be placed in, and students move up as they progress. The levels are as follows:

Level	What the Student Learns
Al-Qalam	Learning the form and joining of letters
Al-Kitaab	Basic tajweed and learning duas
An-Noor	Recitation of Juz 30 with tajweed
Al-Furqan	Recitation of the rest of the Quran with tajweed, and memorization of selected surahs
Hifz	Selected students recite and memorize the Quran with the Imam
Sisters	Learn to read the Quran with proper tajweed and ahkam

Looking Ahead — More Days of Quran Class

We are actively exploring additional options so that Quran classes can be offered on more than two days per week. Expanding the schedule would give students more contact time with their teachers and allow for faster progress, particularly for students in the Al-Furqan and Hifz levels. Any change to the schedule, and any change to the associated fees, will be communicated to families in advance.

Fees for 2026–2027

Tuition is billed monthly through the recurring payment set up in Step 2. Book fees are a one-time charge for the whole school year. Annual figures below are based on a 10-month term, which is the length of each program.

Program	Monthly Tuition	Books (one-time)	Tuition × 10 Months	Total for the Year
Islamic Studies	\$35	\$30	\$350	\$380
Quran Classes	\$50	\$20	\$500	\$520
Both Programs (combined)	\$85	\$50	\$850	\$900

- Annual total = monthly tuition × 10 months + the one-time book fee (for example, Islamic Studies: $\$35 \times 10 = \350 , plus \$30 for books = \$380).

All fees are per student and in Canadian dollars. Quran class fees reflect the current two-days-per-week schedule.

Setting Up Your Payment — Step by Step

This is Step 1 of registration, to be completed before the registration form. The payment portal handles both the one-time book fee and the recurring monthly tuition in a single setup, for all of your children together. Monthly payments run for 10 months and end with the June 2027 payment cycle.

Payment portal: <https://app.irm.io/kingstonmuslims.ca/iskschool26-27>

Step 1 — Choose the program your children will attend

- 1 Three options are listed: Quran + Islamic Studies, Quran only, and Islamic Studies only. Choose the line that matches what your children will attend.
- 2 The price for each option shows the one-time book fee first, followed by the 10 monthly payments (for example, once \$30.00 + 10 monthly payments of \$35.00 for Islamic Studies).
- 3 In the Quantity box, enter the number of children who will attend that program.
- 4 Click the green Add button for that line.

Step 2 — Enter each child’s name, then review the cart

In the example below, a family has two children attending Quran only and two children attending Islamic Studies only, so the quantity is set to 2 on each of those two lines.

- 1 Set the quantity to the number of children in that program.
- 2 A name field appears for each child. Enter each child’s name exactly as it was written on the registration form. This is essential — it is how each payment is recorded against the correct child.
- 3 Click Add (or Update, if you are changing a quantity you already entered).
- 4 The Cart Summary on the right updates with your totals. Because registration takes place before the term begins, the amount due now is the one-time book fee only — \$100.00 in this example (\$20 × 2 for Quran books and \$30 × 2 for Islamic Studies books). Monthly tuition then begins on the recurring schedule.
- 5 When everything looks correct, click Checkout at the top of the Cart Summary.

Step 3 — Review your order and sign in

- 1 Check the billing schedule for each item — it confirms the monthly instalment amount and that it repeats 10 times — along with the amount due now.
- 2 If you already have an account, click Login and continue straight to payment. Setting up an account is strongly recommended, as it lets you track your payments to the school.
- 3 If you are not using an account, fill in your contact and billing information here.
- 4 Click Next to continue to payment.

Step 4 — Pay by credit card

- ① Enter your credit card number, cardholder name, expiry date and CVV.
- ② Optionally, check the box to cover the 2% processing fee so the full amount reaches the school.
- ③ Click Pay. Your one-time book fee is charged now and your recurring monthly tuition is scheduled.

That completes the payment setup. You should receive a confirmation of your payment and recurring schedule — please now complete the registration form (Step 2) for each child.

Before You Submit

- Complete BOTH steps — the payment setup first, then the registration form — by 11:00 pm on Friday, August 28, 2026.
- Set up the payment in Step 1 before submitting the form, and enter each child’s name in the portal exactly as it appears on the registration form.
- Complete a separate registration form for each child, selecting the correct program (Islamic Studies, Quran, or both).
- Note your child’s Saturday time slot so drop-off and pick-up are arranged in advance.
- Let us know about any allergies, medical needs or accommodations on the registration form.
